

2025-2026 Half Season

All-Star Info Packet

The Kentucky Cheerleading Center – KCC was founded in 2012, and we have been blessed to be the cheerleading home for thousands of athletes. KY Pride All-stars started in 2014 with our first half season all-star team. We added Full year all-stars in 2016. This will be our 11th season for our Half Season Program. We focus on being a family friendly environment, teaching life lessons, displaying great sportsmanship, and above all our core values:

Passion, Respect, Integrity, Discipline, and Excellence.

We are thankful for all our returning athletes, their families, and are excited to grow and begin another season with you. If you are new to KY Pride, we look forward to meeting you and providing your family with a truly fantastic competitive cheerleading home.

Evaluations

- o **Evaluations will be held on Saturday, September 20th**

Team placements are made with the team and programs best interests in mind. Cheerleading is a complex team sport requiring many different levels of specialized training. All these areas are considered together to properly place each athlete on a team best suited for their individual needs and that of the team. Tumbling, stunting, motions, dance, jumps, tosses, experience, attitude, maturity, work ethic, and more are considered when placing athletes on a team.

Team Placements

- o **After the conclusion of our evaluation process, we will announce our 2025-2026 Half Season Team Placements via social media and e-mail. We will send out e-mails about practice times for each team after Team Placements have been finalized. Mandatory parent meetings will take place during the last 30 minutes of your team's first scheduled practice. Teams**

will be formed that will be able to score as high as possible in both difficulty and execution/technique in every aspect of the scoresheet. It is important to understand team members will not all have the exact same tumbling skills, etc. Stunting, jumping, performance and other aspects of the scoresheet are just as important as tumbling skills. Please reach out to the All-Star Director with any questions you have about team placements. However, keep in mind placements are not negotiable.
